MEMORANDUM FOR Chairman and Members, Security Awareness Working Group (SAWG)
FROM Security Education Handbook Project Team
SUBJECT Security Education Handbook Basic Concept

1. Per discussion at the SAWG meeting of 29 Oct 81, we have developed a basic concept for the proposed Security Education Handbook. The concept is described at Enclosure 1. Enclosure 2 is a chart depicting our view of the decision/action flow for this project.
2. Recommend that:
 - a. SAWG members comment on this basic concept;
 - b. The team refine the concept to statement-of-work level for SAWG consideration and approval, and
 - c. SAWG members begin providing suitable materials to the team in advance of later formal tasking. Materials should be provided to HQDA (DAMI-CIS), ATTN: Mr. Grau, Washington, DC 20310 (Telephone 695-6481).
